

Room 5 April Snack Calendar

For your assigned week, please bring in the items listed below. Please plan to bring the snack no later than **8:10 AM on Monday** morning so that Ms. Maria has time to prepare the snack area. If you are assigned to bring snack for Pizza Friday, please bring it on Thursday so that the produce is fresh. One type of fruit and one type of vegetable should be brought (please see classroom website).

Thank you for providing snack for the week!
