Messages from Miss Maria

- **DHS-** A message regarding DHS requirements has been sent out. Please be sure to read them so that you can help us with staying in accordance with DHS protocol. Thank you for your support!
- **Safety Week-** Next week is Safety Week. We will be having a fire drill and practicing an evacuation drill. This week is also an opportunity to discuss other safety topics: crossing the street, people who keep us safe in our community, weather safety, riding bicycles, etc. I encourage you to take advantage of this opportunity to share any sort of safety plans you have set in place, or create one, should an emergency ever happen at home. Please read the following message from our campus director, Jen Bailey:

Dear Parents:

On February 28, your child will be participating in an Evacuation Drill. Each classroom will be escorted by their lead teacher, assistants, and campus director and will walk to our designated area in the surrounding neighborhood.

Infants and toddlers will ride in strollers and wagons to the destination and primary aged children will walk.

Thank you,

Jen Bailey

Early Childhood Director
