- **Spring Break-** This upcoming week is Spring Break. There will be no school for Extended, Half, or Academic Day contracted students. All-Day contracts may attend but it is optional. There will be **no morning snack or pizza on Friday**. Please be sure to pack an AM snack, lunch, and PM snack. Thank you!
- **DHS (food) -** Please help our class in meeting the requirements set forth by DHS regarding your children's food and how it is packed. All food (including PM snacks) should be packed in an insulated lunch box along with an ice pack. We do have a few spare ice packs, so if you need one please let me know. On Fridays, if your child stays after school, please pack their PM snack in their insulated lunchbox with an ice pack regardless of what type of food it is. Scroll down for an example of how your child's PM snacks can be packed on the days we have pizza. Thank you so much for your patience, support, and help with this. We truly appreciate it!
- **Child as a Teacher Day-** We will be holding our second C.A.T Day on April 19th. If you are new to our classroom, please scroll below for details on this event and to access the link to the sign up. We look forward to seeing you there!

Hello everyone!

I am pleased to announce that our second "Child-As-A-Teacher" event of the year will be taking place on April 19th! You will be visiting the class for 45 minutes. A certain number of slots per time are given in order to accommodate the number of bodies in our small classroom, so please try not to change your time slot unless absolutely necessary. Your child will guide you through the classroom and give you a little snapshot of their day. They will show you some of the materials that they are learning and working on in class. A set of guidelines regarding your role as the "student" will also be provided a week before the event.

We will keep the morning as "normal" as possible. Please wait outside the entrance for your child to greet you and take you inside. The children will be aware that, although this is a very special day, the classroom ground rules remain the same. They will be using their quiet voices and walking feet, being gentle to the works, choosing materials they have had lessons on, putting works back where they found them, and being kind to their friends. They expect their guests to follow the same rules! Although I will be in the classroom, I will MAINLY be observing - the kiddos are running the show! The children will work with you for 40 minutes, the last 5 minutes will be for clean-up and goodbyes.

If your child is on a half-day schedule, you may take them home after your time slot to avoid the extra trip back and forth. If your child is not a half-day student, but you would like to take them home early, that is okay too. Please let us know if you do so that we can sign them out on our roster.

Please note that this is a **PARENTS ONLY** event. Please plan childcare for any younger siblings/infants. If both parents are unable to attend, you may ask another family member to take your place. There will be **no makeups**, however, this event will happen again next school year. PLEASE let me know ASAP if no one at all will be coming as it may be best for your child to stay home so that they do not feel left out.

To sign up for this event, click on the link below. We look forward to seeing you there!

Thank you,
Maria Vasquez
