Messages from Miss Maria

******I will be taking some personal days this week. I will be out of the classroom from Monday to Wednesday. I may not be checking my email as regularly. Should you have any immediate concerns please reach out to the office or Jen Bailey (and feel free to CC me on the message).***

- **Progress Reports-** I am still in the process of completing reports and will be sending them out by April 29th. These reports are to help give a picture of how your child is doing in class, to show where their interests lie, and to explain where they are headed in their learning.
- **Conferences-** Unfortunately, due to a mandatory LETRS training, I will have fewer time slots available on May 10th. **Please note that conferences are optional, so if you do not have an urgent need to meet, please allow others to sign up.** I will also post a link to a questionnaire that you can fill out regardless of whether you are signing up for a conference or not. This will help me better prepare for any specific questions you may have.

-Muffins with Margo will be hosted next week on Wednesday, April 24 8:30-9:30. Come check our Margo and Christy's presentation of E1 and E2 math materials!

-The DEIB Community Meeting will be held on April 23 at 4:30-5:30. The topic will be around more diversity to Villa's talent pool and the team has provided a [Zoom link](#) for this virtual meeting!

Meeting ID: 811 0504 8429

Passcode: wx09nX

-There are still spaces available for the second session of the summer program **Intro to E1**. This helpful program will help ensure a smooth transition from primary to the elementary campus. [Click here](#) for the registration.

-Click [HERE](#) to listen to the Zoom audio file of Katey McPhearson's presentation on digital/internet safety. She discussed how to stay informed and build the necessary tools to navigate the digital landscape safely. We strongly encourage at least one parent of every Elementary II and Middle School student to listen to this critically important presentation.
