3/25- Ellis Sandersuis

Laundry and Dish Duty Reminders

March Laundry: Missy Lee
March Dishes: Hannah Landon

April Laundry: Dan Irwin
April Dishes: Amanda Heitz

Messages from Miss Maria

- **DHS-** A message regarding DHS requirements has been sent out. Please be sure to read them so that you can help us with staying in accordance with DHS protocol. Thank you for your support!
- **Pink Eye-** Please see the message from our school's health aide:
Villa has had quite a few Pink Eye cases recently so we want to remind everyone that the office would be happy to administer eye drops to your child if needed. Please bring the drops to the office in the original box with the prescription label attached and we will have you fill out a quick Medication Consent form. Thank you!
- **Spring Break-** Spring break will take place 03/12-03/16. School will be open for students with an ALL DAY contract only (completely optional). There will be no formal instruction as all leads will be on break as well. Due to number of available staff and number of students attending, some classrooms will be combined. Room 5 kiddos will remain in our class while Room 8 will be joining us. Morning snack will **NOT** be provided, so students should be packed an AM snack, lunch, and PM snack. There will also be **NO PIZZA** on Friday.

Room 5 Newsletter

Week of 03/04/24-03/08/24

Hello Room 5,

Every year our school is required to undergo an inspection by the Department of Health Services (DHS). Although we are not aware of the exact date of their visit, we are expecting them any time now. We would appreciate your help in making sure we are meeting all the requirements set by DHS. You can help us by doing the following:

- Packing your child's lunch in an **INSULATED** lunch box/bag and include an **ICEPACK**
 - This includes ALL FOOD and PM Snack
- Making sure not to pack foods, such as popcorn, that could pose as a choking hazard.
- Making sure to send an extra set of clothes if they don't have any already. (Ms. Maria will be sending emails out to those who do not).
- Call/email attendance anytime your child will be absent/tardy/picked up early.
- If your child has a food allergy and uses any meds/epi-pen:
 - Be sure the proper forms have been filled out
 - Replace any expired meds/epi-pen when needed.
 - If you have any questions regarding this email our Health Aide, Marisol (healthdesk@villamontessori.com)

Many of these reminders were in our "Welcome Letter" at the start of the year, and a few are some that have been brought to my attention recently. Thank you for your support and ensuring that we are following DHS protocol!

Kindly,

Ms. Maria
